Introducing

HIMALAYAN WONDER

Now there's a new way to do Nepal with the arrival of the first luxury tented eco villas, The Pavilions Himalayas Lake View. The brand's second property in the region alongside The Pavilions Himalayas is accessed via paddle boat across Phewa Lake, with eight tented villas set to a backdrop of the Annapurna Himalayas and encircled by cascading rice fields. As you'd expect given the extraordinary scenery, the focus is very much on the outdoors, with mountain treks, meditation and kayaking on the lake among the standout activities. Once you've worked up an appetite in the fresh mountain air, hit the clubhouse for refreshments and local treats, or book a spa treatment that combines foraged botanicals and traditional healing techniques. Come dinnertime, guests can look forward to menus showcasing traditional Nepalese cuisine created with ingredients from The Pavilions Himalayas' organic community farm, and lakeside barbecues. pavilionshotels.com
