PAVILIONS AMSTERDAM

Amsterdam is anything but ordinary, and the same goes for your stay at Pavilions Amsterdam, The Toren. Find us along the famous UNESCO World Heritage Listed canals next to the Jordaan. Happening cafes, creative galleries and quirky shops are right on your doorstep, making an ideal base from which to explore the urban maze that is Amsterdam.

Chic, theatrical, a little mysterious... Our one-of-a-kind four-star luxury boutique hotel is set within two 17th Century Dutch canal houses with a history dating back to 1618. Featuring velvet wallpaper, vivid patterns and lush fabrics in purple, red, black and gold, The Toren is the perfect backdrop for a romantic luxury Amsterdam getaway.

Whether you're with us for a week or a weekend, we have everything you need to enjoy a fun-filled relaxing break. Our team is always on-hand to provide insider recommendations and make your stay in Amsterdam a memorable one.

The Dutch capital has so much to offer in terms of art, design and fashion, making it one of the most interesting cities in the world for the culture-obsessed. From prestigious streets to fabulous boutiques and works of art, discover the most fashionable parts of the city with this three-day Haute Culture itinerary.

DAY 1

Welcome to Amsterdam! Drop your bags in your room then take a seat in our charming bar to officially start your break with a nice cup of coffee.

Your Haute Culture journey begins at the Moco Museum. Discover some iconic exhibitions and stunning modern artworks for a great cultural introduction to Amsterdam.

Next, it's time to grab lunch and have a break at SUSHISAMBA. A short walk away, here will you find a unique blend of Japanese, Brazilian and Peruvian culture and cuisine.

In the afternoon, head to the Begijnhof Amsterdam, one of the oldest hofjes (courtyards) in the city. Explore the historic, hidden courtyards filled with greenery and take in the classical Dutch architecture (and a little solitude).

For dinner, grab a table at Restaurant Max, located 5 minutes' walk from the hotel in the beautiful canal area. The cosmopolitan setting and adventurous menu make this a great restaurant to experience the city's dining scene.

With the night growing to a close, return to the hotel for one of our signature cocktails in the relaxing bar area before getting a restful night's sleep.

DAY 2

Rise and shine. Our freshly-made breakfast buffet in the charming lounge bar awaits. Strong coffee, refreshing juices and special eggs whipped up by our chef to order will set you up for some city exploring.

The first stop on today's itinerary is a trip to Hermitage Museum. This institution showcases exhibitions from the vast collection of the grand State Hermitage in St Petersburg. Uncrowded and off the usual tourist route, you'll discover first class-art and exhibitions of interest without having to go all the way to Russia.

A short walk from Hermitage, you'll stumble upon Foam, a photography museum on the Keizersgracht. This gem of a museum presents changing exhibitions and features all kinds of photographic genres – history, art, news and fashion – so there's plenty to inspire you.

For dinner, we recommend Restaurant de Plantage. Elegant and ultramodern, this bistro serves up delicious contemporary European dishes. There's a spacious bar area where you can grab a delicious cocktail and nibbles, and the setting couldn't be better – the restaurant proper is housed in a cavernous 19th-century conservatory.

DAY 3

Start your day with over 130 years of history. Waterlooplein Market is the oldest in existence in Amsterdam today. From vintage jewellery and clothing to used cameras and second-hand books, you're sure to find some unique treasures to take home (we hope you left room in your suitcase...).

Continuing the history theme, learn about Amsterdam during World War II at the interactive Verzets Resistance Museum.

In the afternoon, explore the former home of one of The Netherlands' most famous painters. At the Rembrandt House Museum, you can experience how the painter lived, worked and taught his students.

For your last night in Amsterdam, dinner at the restaurant De School makes the perfect finishing touch. This hidden culinary gem has a great chilled out ambience and features an exhibition space and a concert venue.
