OUT OF THE OFFICE

Pavilions Bali.....	4
---------------------	---

Those looking to get away from busy work life need look no further. Spend your hard-earned vacation time discovering the island, enjoying a sun and sand-filled day or exploring the ever-vibrant town of Sanur. You may never want to go back to the office!

DAY 1

On arrival, our staff will pick you up from the airport and transfer you to Pavilions Bali, our heaven on earth. It's time to leave the stress of the office behind!

With your out of office on, cool off by the pool bar. Get into holiday mode with our Island Creation cocktails or recharge with our Health Boosters while enjoying the afternoon sun.

Time to take your taste buds on a culinary journey with our Island of the Gods menu. Discover a selection of Bali's most treasured culinary specialties, best enjoyed in the enchanted garden setting of Jahe Restaurant, surrounded by lush tropical nature.

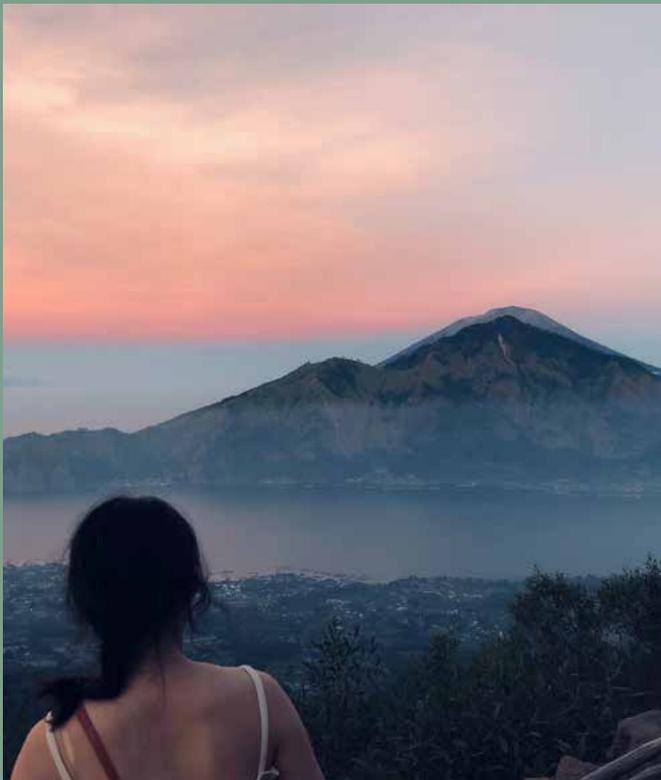

DAY 2

Make your way up to the peak of Kintamani to admire the view of the crater lake and sacred Mount Batur volcano. After lunch at a local warung, continue to Catur Village. The fertile soil and cool climate of the highlands make Catur the perfect place to grow coffee beans.

Learn all about Kopi Kintamani, the aromatic Balinese Arabica, from a local coffee farmer. We will guide you along the "coffee trail", from the plantation all the way to the traditional roaster, before giving you the chance to sample the final product.

Feeling a bit tired after a day of exploration? We've got you covered. Spend the afternoon relaxing in the sanctuary of the Pavilions Spa. Treat yourself to our indulgent Coconut Passion, a 100% natural full body treatment that will leave your skin delicately scented with a sweet tropical fragrance.

DAY 3

Kick start your day by enjoying a relaxing swim at Sindhu Beach. The beach is just a short walk away, or take advantage of the private shuttle service. Try your hand at stand up paddleboarding, take a ride on a local Jukung fishermen's boat or simply soak up the sun at Pavilions' dedicated beach facilities.

Spend the afternoon exploring Sanur's 5km-long beachwalk, flanked by cafes and market stalls, ideal for a long stroll. Beyond the shore, the leafy main street, Jalan Danau Tamblingan, is lined with boutiques, lively open-air bars and plenty of restaurants for you to choose from. Our Guest Service team will share their favourites, tried and tested for you to enjoy.

DAY 4

Discover the heart of the island with the perfect mix of culture and a healthy dose of retail therapy. Wander through the artsy centres of Celuk (jewellery), Mas (wood carving) and Batubulan (stone carving), before reaching Ubud.

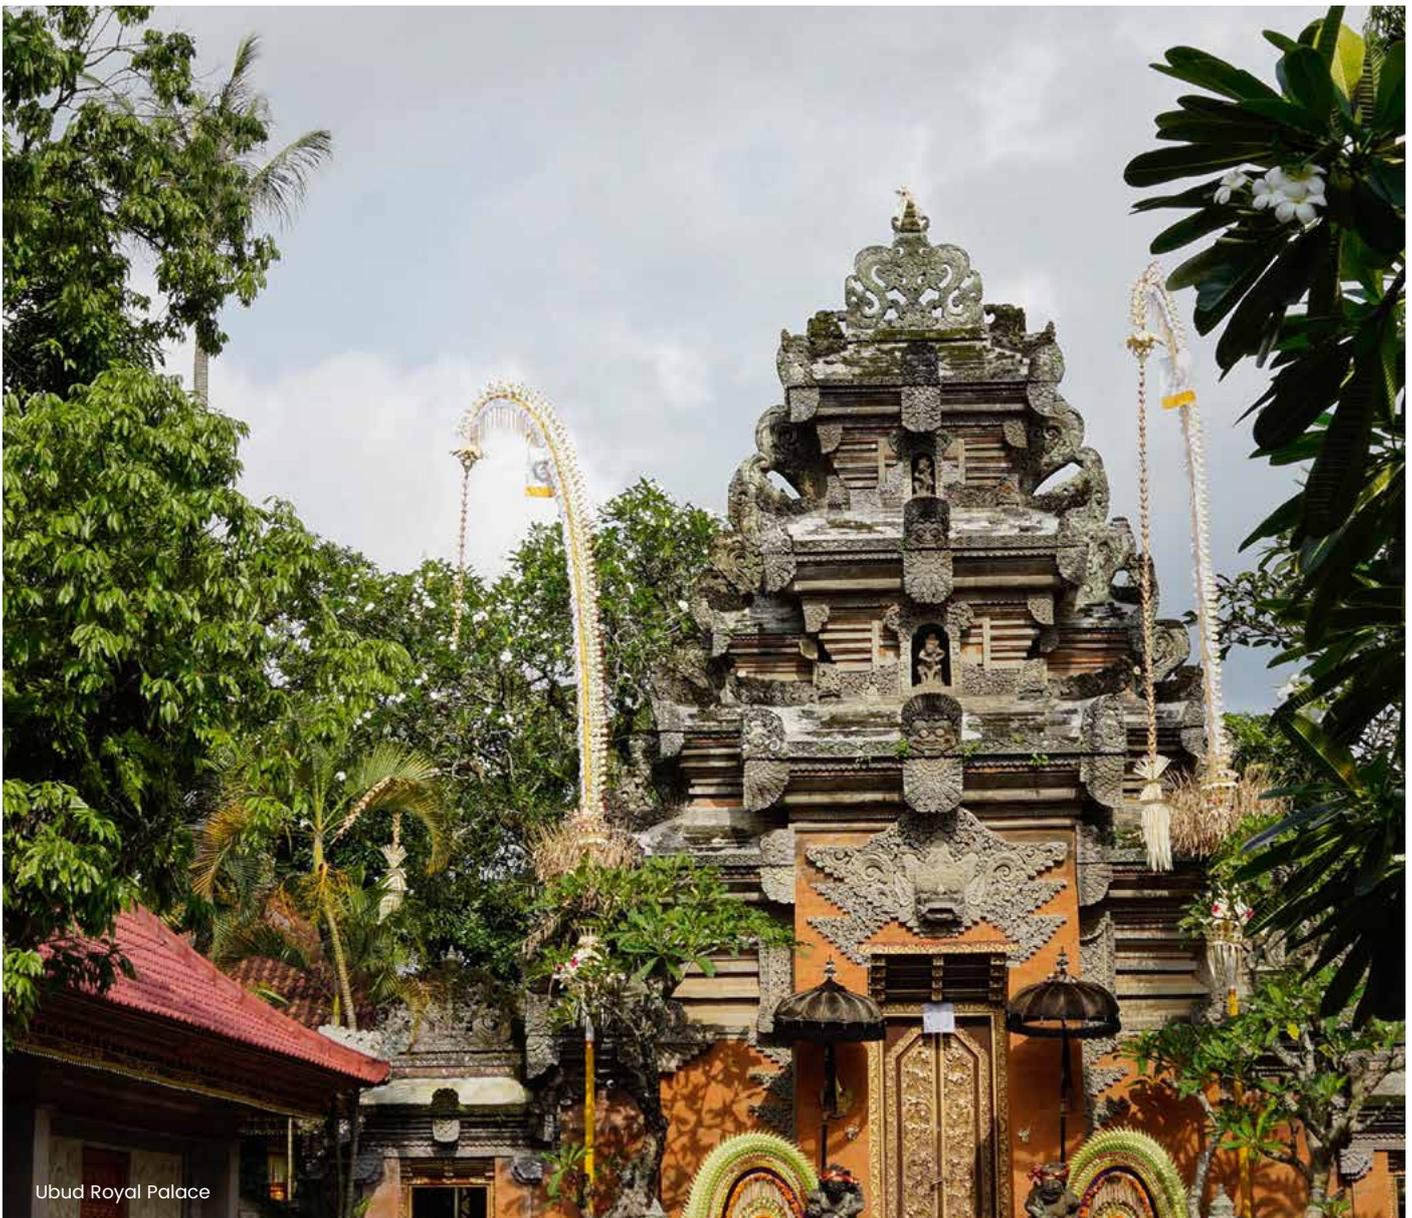

The idyllic village of Ubud offers something for every taste: tropical wildlife at the Sacred Monkey Forest; enchanting history at the Royal Palace; lively trading at its traditional market and; a myriad of galleries and boutiques selling the best of Balinese arts and crafts.

Make your last evening one to remember. Our Signature Dining Experiences are the perfect end to your island getaway. Let our chef treat you to the freshest daily catch, grilled table-side with our Seafood BBQ.

DAY 5

Before heading back home, learn how to prepare our favourite all-natural beauty treatment – an Aloe Vera facial. Experienced therapists will guide you through a lesson in organic wellness, explaining how to choose the freshest ingredients and prep the skin superfood before treating you to some indulgent “me time”.

After checking out of Pavilions Bali fully rested and recharged, we'll take you to the airport for your journey home. We look forward to seeing you again soon!
