We power our entire resort and its 14 luxurious villas with renewable energy, and our organic farm is the source of our fresh produce – making for a feel-good getaway in every sense.

Whether the kids are fresh out of diapers or almost full-grown, Nepal has something for every generation. Shorter hikes, mountain biking or days on the water, let the kids run wild in this adrenaline-filled playground.

Your inner child will run free too, thanks to the untouched nature and seductive mountain views. With this family-friendly itinerary, let's make your getaway in Nepal child's play.

DAY 2

Let the kids go free range on a family tour of our organic farm. This journey includes viewing livestock such as buffaloes, cows, wild boar, goats and chickens. If you're feeling up to it, you can even milk a cow!

In the afternoon, head out on an excursion to Phewa Lake. Rent brightly coloured wooden boats and explore the idyllic lakeside charm. The perfect spot for a family photo, when the water's still, the peaks are reflected in its surface, making the perfect mirror image.

When hunger strikes, head up to Pavilions Himalayas Lake View. Perched high above the lake and surrounded by rice terraces, this is the place for you and your family to unwind.

Our chefs will cook up a delicious meal using fresh farm produce. From mouth-watering barbecues to Nepalese cuisine to international favourites – the menu is crafted daily.

DAY 3

Kids and big kids will love exploring Pokhara Shanti Stupa, a shrine constructed by Buddhist monks. Besides being an impressive sight in itself, the shrine offers a vantage point for spectacular views of the Annapurna range and Pokhara city.

In the afternoon, let the kids cool off and have a blast at the Pool and Clubhouse. For the adults, booking some “me time” in our Spa Svastha is just what you need to feel good as new.

Here’s a recipe for adventure: Take part in Pavilions’ cooking class. As a family, you’ll learn how to whip up the most authentic Nepali flavours ranging from momos (dumplings) to Nepali chicken to Nepali desserts.

DAY 4

This morning head out on a biking tour to Begnas Lake and Via Dobilla. With rewarding views of the Himalayas and countryside, the kids will be too distracted to ask, “are we there yet?!”.

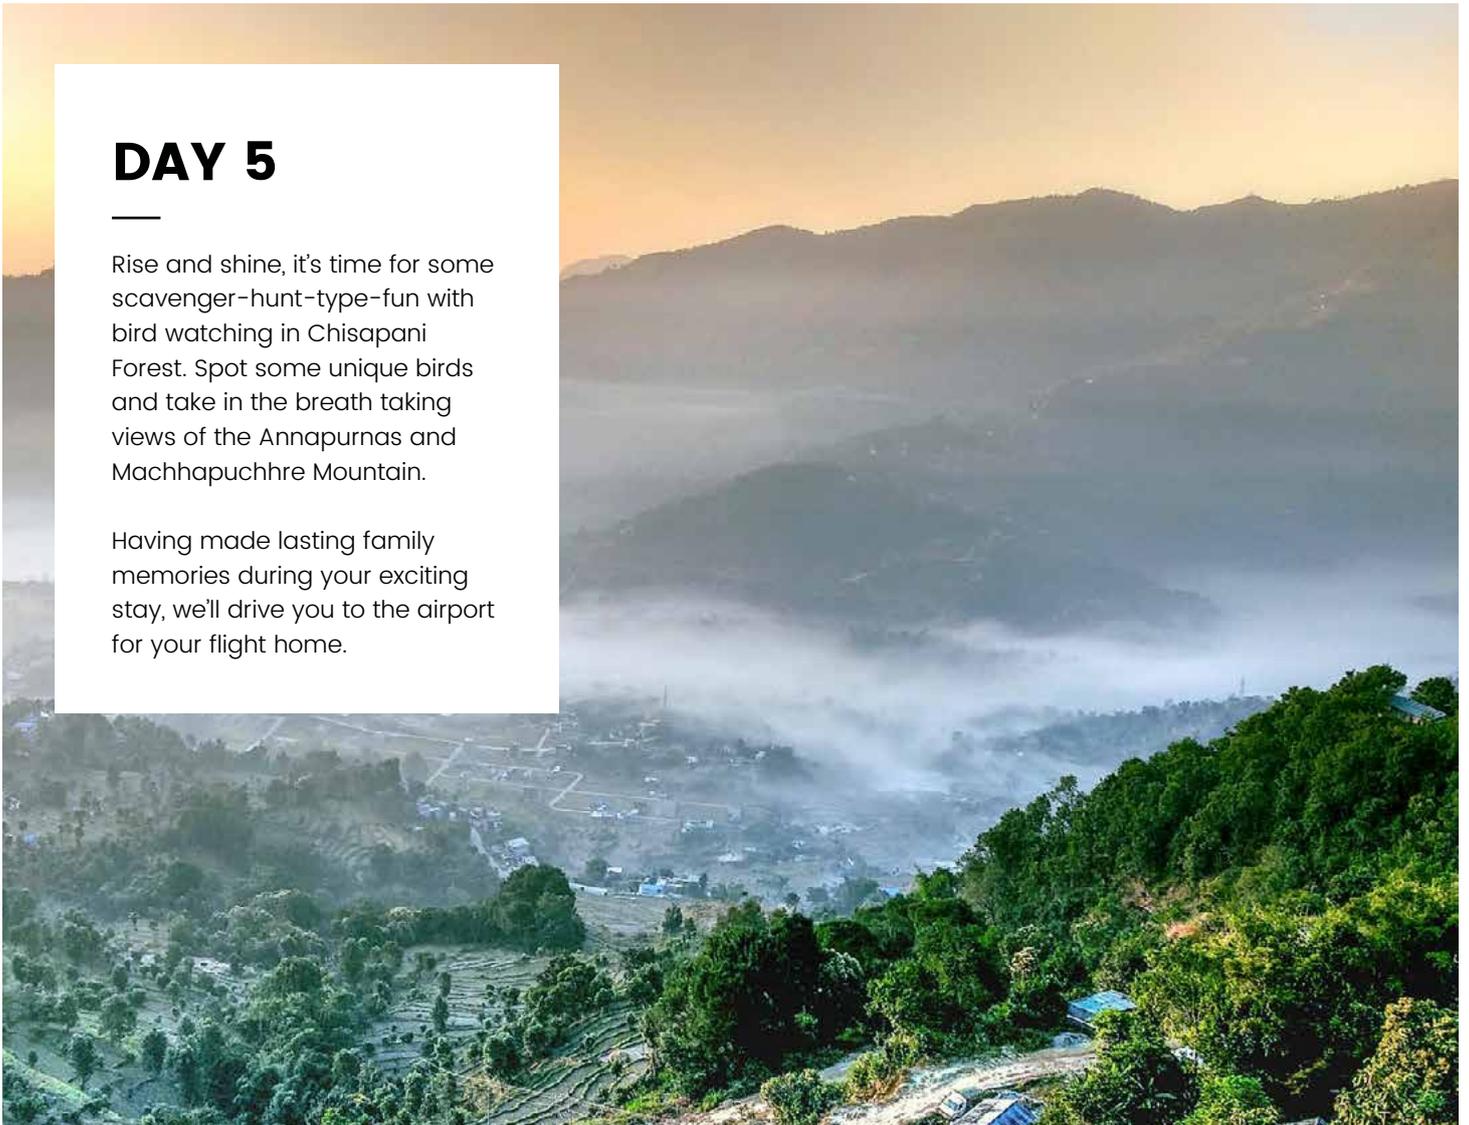

Family life can be hectic. Help everyone get a little more zen with an afternoon family yoga class. No matter how boisterous your brood, you can strengthen your bond as you strengthen those asanas in the backdrop of the stunning mountain range.

With the day coming to an end, it’s time to venture out for a bite to eat. Head to Fresh Elements, rated the number one restaurant in the Lakeside area. With plenty on the menu, the whole family will find something to enjoy.

DAY 5

Rise and shine, it’s time for some scavenger-hunt-type-fun with bird watching in Chisapani Forest. Spot some unique birds and take in the breath taking views of the Annapurnas and Machhapuchhre Mountain.

Having made lasting family memories during your exciting stay, we’ll drive you to the airport for your flight home.
