Nature

JUNGLE POOL

Between your trekking and meditation, refresh yourself in the all-natural mountain spring pool. Nestled quietly away from the villas under lush green trees, the pool provides an ideal opportunity to experience the wildlife. Feel the cool breeze and hear the natural rhythm of waters as you slowly retreat into nature.

WELLNESS

Rejuvenate your mind and body after a long day of adventure on the mountainside with the help of our therapists. Based on traditional therapies, we utilize the unique mountain botanicals to help you feel refreshed.

Our

VILLAS

Our 8 tented villas are set against the majestic backdrop of the Himalayan mountain range. The openness of the tented villas provides an unobscured view of the breathtaking landscape.

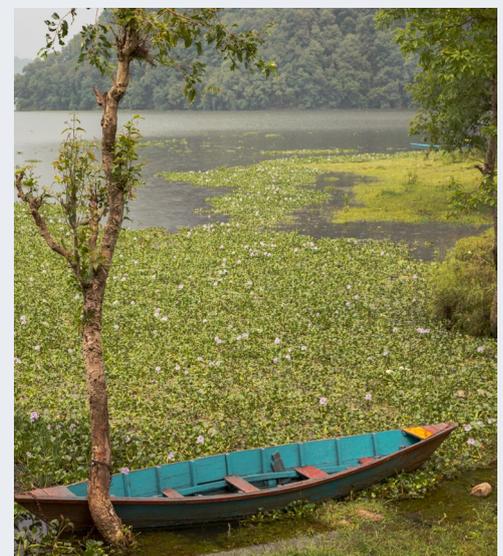

Generously positioned away from each other for privacy, the 8 tent villas come equipped with all the spoils of modern day comforts that one has come to expect from The Pavilions. Each villa is uniquely styled with hand crafted furniture that capture the essence of the natural outdoors and portrays a feeling of sleeping under the stars.
