

Masked behind a modern façade and carefully hidden in one of the most sought-after areas of Madrid, lies The Pavilions Madrid. Luxuriously appointed hotel marries together the old and new Madrid, traditional Spanish hospitality surrounded by modern artwork and amenities.

Enjoy all that Madrid has to offer, then retreat back to a modern, private haven to soak in works of art created by emerging Spanish artists, showcased throughout the hotel and guestrooms. With its permanent and temporary exhibits, each room becomes a small private gallery, all “yours” during your stay.

## BOUTIQUE ART

### Hotel

Throughout the hotel and guest rooms, exclusive artwork from YellowKorner artists is present for guests to enjoy. YellowKorner' collection of art guides you in your discoveries with selections of works which offer unique artistic approaches, from unusual perspectives.

## LOCATION

Located on the quaint Amador de los Rios street, The Pavilions is located right in the center of Madrid, just moments away from the famous Plaza de Colón and other rich cultural heritages of the city. After a day of exploring the winding avenues and thoroughfares of one of the most authentic, charismatic and distinctive European cities, return to your personal utopia known as The Pavilions Madrid.

## THE PAVILIONS MADRID

Calle Amador de los Ríos, 3  
Madrid, 28010 Spain

## DINING

Enjoy the parade of delicious dishes at the new restaurant of The Pavilions Madrid, featuring the best of traditional specialties from Spain. Our chef brings the best local Spanish ingredients to the plate, incorporating his own take on familiar dishes. Enjoy breakfast and deliciously crafted drinks offering a great introduction to local flavours from our lounge. A green atmosphere surrounds the lounge and transforms it into a garden paradise, also the perfect atmosphere for a 'Sobremesa'. The Pavilions restaurant is the best seat in Madrid for those looking to sample a wealth of traditional flavours.
