Afterwards, retreat to the comfort of your accommodation at The Pavilions Himalayas, The Farm, and prepare for a restful overnight stay.

Day 2

Awake to a new day of possibilities as you open your door to the serene ambience surrounding you.

Start your morning with a complimentary yoga class led by our expert yoga master, or venture to our organic farm and engage with the animals. Challenge yourself to try your hand at milking a cow or buffalo and collect fresh eggs, immersing yourself in the authentic farm experience.

Following these stimulating activities, treat yourself to a delectable breakfast, savouring the freshness of our farm's milk and organic products. Then, embark on a scenic 20-minute hike through the picturesque paddy fields, crossing the Fusre Khola River. Learn how to build a stone pathway across the river and continue your journey to the FAB Hospitality School.

At the FAB Hospitality School, you can team up with aspiring chefs and participate in a cooking class, preparing a local Nepali lunch. Enjoy this culinary creation in the company of the students. The FAB School, a project of Right4Children managed by GATE College, empowers disadvantaged youth and youngsters who have faced domestic slavery, child labour, and exploitation. By engaging with them, you contribute to their skill development and empowerment journey.

After savouring the flavours of your lunch, embark on a 35-minute car ride to Matepani Ghumba, an important religious and cultural heritage site in Pokhara. This splendid Buddhist monastery, situated atop a forested hill, will transport you to a timeless realm. Immerse yourself in the serene atmosphere, surrounded by the chanting of Lamas, colossal guardian images of the Buddha, and intricately carved columns and friezes. If hunger beckons, take a moment to visit one of our favourite local Tibetan restaurants and treat yourself to the famous Momo's Tibetan dumplings.

Once you return to the resort, we welcome you to indulge in its array of facilities, whether it's a refreshing dip in the pool, a soothing sauna session, a rejuvenating yoga practice, or a pampering spa treatment. As dusk falls, gather again at the Bhet Ghat lounge and bar restaurant, where a delightful three-course set dinner awaits you.

Relish the alfresco dining experience before retiring for the night at The Pavilions Himalayas, The Farm.
